

Product Change Notice (PCN)

Changed Product: Packing material for APRO Standard Products only - Industrial SLC CompactFlash Card (Rugged Metal Frame) - MLC CompactFlash Card (Rugged Metal Frame)	Doc. No.: 099-XRCFC_XXXXX_1V0
	Date: 2017/05/18
Change Description and the reasons : Because we've received many valuable feedback from customers about the CF Card was hard to take out from kraft paper box. In order to improve the situation and also for the benefit of environmental protection, we have decided to change the packing.	
Key Dates: The change will be active as soon as the previous kraft paper box run out, the plastic box will be used instead.
