

Product Change Notice (PCN)

Changed Product: HERMIT-A Series SLC Industrial PCMCIA (ATA) Card Optional Rugged Metal Frame	Doc. No.: 099-xxAFC-HASLC-1V0 Date: 2014 / 10 / 27
Change Description and the reasons: Samsung has announced EOL Notification for SLC flash ICs. In response to the major change, APRO's HERMIT Series PCMCIA Card will apply Toshiba SLC flash ICs instead. The flash IC brand will change while controllers, PCB designs and other key components will remain the same. We strongly suggest customers re-approve the sample before purchasing a certain quantity. If you have any questions, please contact with your APRO Sales Account Manager. Please refer to the following Appendix 1. Part Number comparison before/after PCN	
Key Dates: Last Buy: Before December 31, 2014 Last Delivery: Before March 31, 2015	

A PRO Partner for Military & Industrial Flash Solutions
